This submission does not represent that a search has been made or that no better art exists. Nor does it constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies the cited documents as prior art against any claim in the application and Applicants determine that the listed documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the referenced publications be applied against the claims of the present application. If there is any additional fee due in connection with the filing of this Statement, the Director is hereby authorized to charge the fee to our Deposit Account, **No. 06-1448, Reference C1104-7061.**
